

Cookie Policy of Bitcipher Labs LLP

Introduction

Welcome to CoinSwitch! You can remain a guest or a visitor on this website provided by Bitcipher Labs LLP ("Bitcipher") and enjoy certain features and content without registering as a user.

What are cookies?

Cookies are small data files that are placed on your device when you visit a website. They allow the website / device to recognize your device and remember and analyse your usage pattern, choices, and preferences. An indicative and non exhaustive list of data and information that we may receive, store, use and process are: your device id, IP address, device geolocation, other device and it's software related information like device model, manufacturer, device operating system, etc., time you spent on each feature or content on the platform, links that you click, viewing and browsing choices that you make.

Cookies and other technologies to capture your visit details

This website uses cookies and other technologies to enhance and to personalize the user experience for users visiting the website, while observing their usage pattern or behaviour. We also use cookies and other technologies to monitor the technical performance of the website including on your device, device location, or IP address, and also to keep the website safe and secure.

Using, Processing, and Sharing of the data collected under this policy

You agree and permit us to use and process the information and data collected pursuant to this policy for the purposes set forth and intended herein this policy, and to show the features and content that may interest you which may include third party educational, infotainment, entertainment, marketing or promotional content or material including links to third party websites or platforms.

You agree and permit us to share and/or transfer or assign the information and data collected pursuant to this policy to any third party including any of our group or affiliated companies either for them to provide any services to us, or for them to use this data or information for their own business, services, or other purposes.

You also agree that we may share the data and information pursuant to this policy with any law enforcement, regulatory, judicial, quasi-judicial, administrative, or any statutory authority whether in India or elsewhere.

Types of cookies we use:

We use both session cookies and persistent cookies on this website. Session cookies are temporary and are deleted when you close your browser. Persistent cookies remain on your device until they expire or are deleted.

We use the following types of cookies:

Strictly necessary cookies: These cookies are essential for the website to function properly. They enable basic features such as page navigation and access to secure areas of the website.

Functional cookies: These cookies allow the website to remember Your preferences such as language and font size.

Analytics cookies: These cookies help us understand how You interact with the website and to improve its performance.

Advertising cookies: These cookies are used to deliver personalized advertising to You based on Your interests and browsing behaviour.

Managing cookies

You can manage cookies through your web browser settings. Most web browsers allow you to control cookies through their settings. However, disabling cookies may limit the functionality of the website.

Third-party cookies

We may use third-party cookies to deliver advertising and to analyze Your behaviour. These cookies are subject to the privacy policies of the third-party providers.

Changes to this policy

We may update this policy from time to time. We will notify the changes by posting the updated policy on the website. You are requested to check, understand and agree to this policy each time you visit the website before becoming a registered user.
